

Due to the incredible enthusiasm and overwhelming support in the votes, we're thrilled to announce that we'll be supporting a **fifth charity this year:**

Paignton Zoo plays a vital role in conservation, education, and protecting endangered species, and we're proud to be contributing to their mission. This addition reflects the passion and commitment of our team to making a meaningful impact in our community and beyond.

To celebrate, we're launching a **House Challenge**: Between now and Christmas, each house – **including our sixth formers** – is invited to raise **£70**. With that, we'll adopt an animal of your house's choice for the year through Paignton Zoo's adoption programme.

And here's the twist...

The **first house to raise the full £70** will get **first pick** of the animal they'd like to adopt!

This is a brilliant opportunity to support wildlife conservation and show some house spirit. Whether it's a red panda, giraffe, or something more unusual – the choice is yours.

A close-up profile of a giraffe's head, facing left. The giraffe has a light brown coat with dark brown, irregular spots. Its long neck is visible, and its ossicones (horns) are at the top of its head. The background is a soft-focus landscape with trees and a clear sky. The text "Adopt a giraffe" is written in a bold, white, sans-serif font, centered horizontally across the middle of the giraffe's head.

Adopt a giraffe

Adopt a lion

Adopt a red panda
